This matter is before the Court for review. The Court located a file in the office of the Boone Circuit Court Judge labeled "Class Action Settlement". The file pertains to Boone Circuit Case No. 98-CI-00795 and contains several documents as well as a video tape of a court hearing on June 27, 2002. The Court thoroughly reviewed the file and video tape. Accordingly, the Court being in all other ways sufficiently advised;

IT IS ORDERED that the Boone Circuit Court Clerk shall make the file an exhibit to Boone Circuit Case No. 98-CI-00795 with the following caveat. The Court sealed a list which appears to

be the names of the plaintiffs and settlement amounts. Further, the Court sealed two sets of settlement documents. However, copies of those settlement documents are included in the file with the names and amounts redacted.

Further, IT IS ORDERED that counsel shall have access to the afore stated exhibit including the video tape, with the exception of the sealed documents.
