2. The individual defendants will fax responses and answers to plaintiffs' counsel on June 3, 2005, and follow with properly signed copies as soon as signatures of the individuals can be secured, at which time the original will be filed.
3. All answers to interrogatories, responses to request for documents, answers to requests for admissions and documents produced shall be treated by counsel and parties as confidential until the hearing scheduled for June 13, 2005.
4. All other matters are deferred for further consideration at the hearing scheduled for June 13, 2005.

This 3rd day of June, 2005.
